

Lifting the Silence

Edmonton's 9th Annual Suicide Awareness March

Every year, approximately one million people die by suicide around the world. This means **nearly one life is lost to suicide every 40 seconds**. Suicide is a leading cause of death worldwide.

The Support Network invites you to join us in raising awareness for suicide prevention and honouring the lives lost to suicide.

Event Details:

This year, the Suicide Awareness March will take place in the heart of downtown Edmonton. We will be opening our event in Sir Winston Churchill Square with a brief ceremony, followed by our march. We will then proceed to City Hall for a reception and light lunch.

Meeting Place:

Sir Winston Churchill Square – in front of the **ATCO West Wing** (situated at the south end of the square, across the street from the Edmonton Public Library)

Date: Friday, September 10, 2010

Time:

11:00 AM – Start gathering in Sir Winston Churchill Square

11:30 AM – Ceremony

12:00 PM – March Commences
